A Different Start to Camp

Dear Campers and Families,
Welcome to Achievers Summer Camp 2026! We are thrilled to have you join us for another exciting summer of learning, discovery, and fun. This year's theme, Dream Big: Imagine. Create. Solve. Lead., will inspire campers to explore new ideas, build lasting friendships, develop leadership skills, and grow their confidence through hands-on STEM activities, creative projects, outdoor adventures, and unforgettable experiences. At OLDF, we are committed to providing a safe, inclusive, and engaging

environment where every child feels valued and encouraged to reach their full potential. We hope each camper leaves with new skills, wonderful memories, and friendships that last beyond the summer.

Thank you to our dedicated staff, volunteers, community partners, and families for making this camp possible. Your support helps create an enriching experience for every child.

We look forward to an amazing summer together. Here's to dreaming big and making it happen!

Our High Five Accreditation!

This spring, OLDF officially became an HIGH FIVE accredited organization. Due to this, we require our staff to have the PHCD, or principles of healthy child development training to better support our campers! In the above photo, our volunteers are getting their PHCD training.

NEXT WEEK AT CAMP..

Starting next week, the OLDf summer camp officially begins. The theme for the week is **friendship and belonging**, involving introductory activities to break the ice between campers. Please remember that campers need to be in their camp t-shirts, and that **pizza forms** are **due on Tuesday**, and please **write the name of your child on their camp water bottle**. See you on Monday!
