

**OLDF Camp
Week 2
2026**

This Week was Friendship and Belonging Week!

Thank you for
your patience
and
cooperation
as we sorted
things out!
..

This week we were so happy to meet all these new campers! We did so many fun activities such as making friendship towers, bracelets, and chains. We also combined building friendships

with STEM activities such as Rainbow Milk in the Dreamers class, Dancing Raisins in the Builders class, and Balloon Rockets in the Leaders class. We had so much fun doing all of these exciting activities, and we can't wait to do more next week!

Parent Reminder:

Please don't forget, drop off starts at 9 am and pick up ends at 3pm; no earlier or later. Also campers need to wear their uniform shirt daily!

A Bittersweet Goodbye...

This Friday was our director, Dua's last day with our OLDF Camp. For the last 4 years, she has helped answer parent concerns and oversee a fun, safe and inclusive camp environment. As she moves on we wish her all the best in her new role!

YOUR CO-DIRECTORS, AMEYA AND ABAEL!

An Informative Visit

Today, a policeman and a fireman visited our campers, educated us on personal and household safety, and answered some of our questions! Campers learned that police are there for community safety, not only to get people in trouble. Regarding the fireman, he gave us important household and fire safety information.

Did you know that smoke alarms should be changed every decade (10 years), and tested annually to ensure they are working? Campers were also given an handout to draw their house plan and identify escape routes if a fire were to happen. Thank you Officer Justin (Fire) and Officer Jerome (Police) for visiting our camp this year!
